Charterer affirms that they have learnt **Detailed Charter Conditions, General Insurance Conditions, and Vessel Operation Manual.**

Charterer affirms that they have been instructed that groundless call for Owner to come to an area outside original marina will be charged with a fee of 1.5 PLN per kilometer.

Charterer affirms that they took over the vessel in a functional technical condition and seaworthy, and vessel’s equipment is in agreement with the hereby protocol. The vessel ought to be returned clean and cleared, with emptied and sanitized chemical toilet, charged batteries and a full tank of water (the cost of fuel will be taken off the deposit).

Trade areas forbidden to sail on during the charter period (except those listed in the Detailed Charter Conditions):

Remarks:

.....

Vessel was taken over on at Owner Charterer

Vessel was returned on at Owner Charterer

After the cruise has finished, the Owner charged the charterer, which covered the cost of fuel.
